# Prayer and Praise

## AUGUST 2026

We know You will never forsake us, Father. We ask that you guide us & help us as we seek You in our daily choices. We ask You to be with those who need Your strength. Remind them that they are not alone...

We lift up those who need Your healing, Lord. Minister to them with Your Spirit. Guide the physicians and care givers who provide care. Touch them with Your healing hand.

(God said) I will instruct you and teach you the way you should go; I will counsel you with my eye upon you.

Psalms 32:5, 8 (NIV)
